

MasterWORX

COMMUNITY THEATER

Supporting MasterWorx through donations, advertising, or corporate show sponsorship is a fantastic way to support the arts in our community! Our programs are professionally printed and bound for each individual show, and each musical production typically runs for five performances. Your advertisement and/or name will run alongside exciting information about the play and the cast as well as the director's notes. Our audiences come from all over Central Virginia to experience top-quality community theater, and they are happy to patronize businesses who support the arts!

Please see below for donation levels and advertising rates (families can also advertise per show to support their favorite actors and actresses!) and contact our Managing Director at info@masterworxtheater.com with any questions.

We look forward to partnering with you to promote community theater in our area and thank you in advance for your support!
